	Maths – Drop in	Lunchtime
	Maths – NAT 5	After school
	Physics – NAT 5	Lunchtime

The Library is open every day from 8.15am Monday – Friday, and until 4pm Monday - Thursday.

The librarian can provide a range of revision books, direct pupils to online resources, and provide them with titles so that they can 'read beyond the curriculum'. There is also access to computers and it also offers students a quiet space to work.
