

Corstorphine Community Centre

191 St John's Road, Corstorphine

Dear Families,

Covid19 has had a huge impact on everyone and may continue to do so for some families as we ease out of lock down and adjust to our new situations.

Corstorphine Community Centre has 3 projects running over the summer months to help families who have been adversely affected. If you are facing financial hardship, struggling to cook meals for the family or anxious to leave the house we can support you with the following:

Emergency food supplies

Weekly shopping/messages

Delivery of free hot cooked meals

We want to make sure we are reaching out to everyone who would benefit from this support.

If we can help you, or if you know anyone, in confidence please contact

support@ccchub.online

or call 07580659676
