

# ST AUGUSTINE'S CHARITIES COMMITTEE

Since returning from the summer holidays, our school charities committee have been working hard to organise this year's advent appeal.

This year, our advent appeal is for 'The Edinburgh Food Project'.

The Edinburgh Food Project are a charity that are based in Broomhouse, which aim to provide emergency food supplies, support people in crisis, and address underlying causes of food poverty.

Our appeal started this week, and we are asking pupils to donate items and/or money to help people who need it the most. More information about the charity can be found at <https://edinburghfoodproject.org>

In the photo is Ben Malcolm and Carla Malcolm both students at St Augustine's. Ben's mum has set him challenges for the 16 days leading up to his 16<sup>th</sup> birthday. The challenges give him a variety of experiences but at the same time benefit others. Miss Hind (CL of Religious Education) was asked to give Ben a school-based challenge and as a result with the support of family and friends he has donated 16 bags of food donations to support the Edinburgh Food Project. This was a brilliant effort. Thanks to Ben and to everyone who supported his challenge.

On the behalf of our committee, we would like to say that we are extremely grateful for all donations that can be made. All donations are to be handed into the RE department, and a list of items we are requesting can be found on the following page. Thanks again for all those that can help this year's advent appeal.
