THE TRAILER...

At St Augustine’s Roman Catholic High School, we are organising a day to celebrate the diversity of all the students and staff at the school. This Thursday we are planning to hold a mini Culture Day as a teaser to the big day in June. On this teaser day we will be celebrating the cultures of the school as students dance and show of their cultural clothing.

IMPORTANT!

It is important that students note:

- Pupils may come to school in **traditional cultural clothing**.
- If not wearing traditional cultural clothing, full school uniform must be worn. (National flags are allowed, but uniform must be worn. No national football strips are allowed).
